Paying Personally

If you are uninsured and this procedure is not covered by any other funders, then you agree to prepay an account estimation supplied by the hospital prior to admission. Please sign and complete the payment agreement below.

The hospital will send you a letter detailing how you can make payment via a debit card, credit card or bank transfer.

Agreement (patient to complete and sign prior to admission)

1. I understand that if I do not have full cover medical insurance or prior approval from my insurer, I agree to pay a co-payment/estimated amount prior to admission. This will be provided to me by the Hospital on request.
2. I understand that some costs such as laboratory testing, transfer and/or ambulance costs and other specialist costs such as radiology and occupational therapy will be billed separately and may be payable by me.
3. I understand that the admitting practitioner and anaesthetist using the Hospital facilities are independent practitioners who are not employees of the Hospital. I understand I have a direct relationship with them in respect to treatment care and payment of their accounts.
4. I give permission for the Hospital to obtain any information relating to the approval/claim for this admission from the funder, and I authorise disclosure of such information to and from that funder as deemed necessary to settle any claim.
5. The Hospital reserves the right to add collection costs and interest as per its terms of trade.

Please sign your name in the signature box to indicate your approval of the information provided. We will also verify this information with you in person on the day of admission.
